

Dear Hiring Manager,

I am excited to apply for the Mercer Retirement Actuarial Analyst Co-Op position in Toronto, Ontario, Canada. As a Computer Science student at the University of Waterloo, I am drawn to Mercer's commitment to helping clients realize their investment objectives and enhance health and retirement outcomes. I am impressed by Mercer's global leadership and its ability to provide a range of career opportunities, as well as benefits and rewards to enhance well-being.

With a strong foundation in programming languages, including Python, JavaScript, and C#, I am confident in my ability to analyze complex data and develop innovative solutions. My experience working on the POS Ecosystem Web and Mobile project has given me a unique understanding of the importance of scalability, security, and user experience. I am eager to apply my skills in a real-world setting and contribute to the success of Mercer's Wealth - Retirement team.

As a recent intern at CJCR, Department of National Defence, I gained valuable experience working on Power Apps solutions, developing features for a Vue.js web application, and implementing SignalR Hubs and RESTful APIs. My experience at Ericsson has further honed my skills in monitoring software pipelines, troubleshooting Kubernetes clusters, and creating Grafana dashboards for performance metrics.

I am particularly drawn to this role because of the opportunity to work with a broad range of clients and industries, participating in project teams to design programs that support clients' success. I am excited about the prospect of working in an integrated team of professionals and contributing to the design and pricing of employee pension plans and executive pension benefits. I am confident that my strong analytical skills, excellent communication skills, and intellectual curiosity make me an ideal candidate for this position.

I am excited about the opportunity to join Mercer's team and contribute to the company's mission. I am impressed by Mercer's commitment to diversity, inclusion, and flexibility, and I am eager to be part of a vibrant and inclusive culture.

I am confident that my skills, experience, and passion for actuarial analysis make me a strong fit for this role, and I look forward to the opportunity to discuss my application further.

Thank you for considering my application. I am excited about the opportunity to contribute to Mercer's success and look forward to the opportunity to discuss my application further.

Sincerely,  
Pranjwal Singh
