- Volunteer Coordinator libraries. I accumulated approximately 10 hours as a volunteer at "Generations Branchees". VOLUNTEER | D.D.O. LIBRARY DOLLARD-DES-ORMEAUX

- OCT 2018 - DEC 2018 Volunteer Coordinator libraries. I accumulated another 10 hours working as a volunteer at a certain program called "Aide aux Devoirs" offered by D.D.O library. I had to work once a week for 10 weeks, and I had to help young kids with their homework for about an hour. The library constantly shuffled the students amongst the volunteers so, I had a new student every other week who could speak either French or English and could vary from 1st to 6th grade.
